Greetings to you!!

With Due Respect I know this letter will be a surprise to you because you did not give me the permission to do so and neither do you know me but before I tell you about myself. I want you to please forgive me for sending you this mail without your permission.

I'm Mr. Suvo Sarkar, a Bank Officer here in the United Arab Emirates, I got your contact through a reliable source called database through Dubai chamber of commerce. I believe it is the wish of God for me to come across with you. I would like to discuss a serious business proposal with you which will benefit both of us. If you are interested please kindly contact me back for more details.

We shall go over the details once I receive your urgent response.

Thanks for your understanding.

Please would you be so kind as to let me have your feedback on this matter?

Best regards,

Mr.Suvo Sarkar
